

Bioregional Australia Foundation (BAF) is a for-purpose organisation dedicated to the challenges raised by the UN Sustainable Development Goals and the global climate and ecological emergencies.

Our 2024-27 Strategy outlines our aspirations, goals and priorities for creating hope and action for a better future in our region.

OUR VISION

Thriving local and regional economies which enable people to live happy, healthy lives within the natural limits of the planet, leaving space for wildlife and wilderness.

OUR MISSION

To create a movement of people, communities and organisations adopting One Planet Living® in Australia and our region.

OUR VALUES

Ethical, Collaborative, Inspiring, Robust, Transparent and Visionary.

Our Community

Our Story

Our Programs

Our Future

New Directions

GOALS

Inspire others to make a difference

One Planet Living® is easy, attractive and affordable

Create future change leaders

A collaborative organisation with a vision of hope for the future

Beyond zero emission exploring a pathway to a regenerative future

OBJECTIVES

To mobilise our community towards a better future by building a diverse network and movement committed towards One Planet Living®

To demonstrate the value of One Planet Living® and increase collective impact to demonstrate living within the natural limits of the planet

To provide quality products and services to deliver One Planet Living® in our region

To be a resilient and visionary, strategic and sustainable organisation

To be part of collaborative action as a leader and contributor to scaling up the response to climate change

PRIORITIES

- Increase memberships across different sectors
- Engage with our members on a regular basis to improve quality and robustness of delivery of One Planet Living® (OPL)
- Connect with OPL Communities and tell their stories
- Support members in delivery of OPL
- Create OPL ambassadors and champions

- Increase our brand recognition & value through:
 - Increased digital presence across all mediums
 - Case studies
 - Delivering events and forums
- Provide support and clarity on pathways to global, and national OPL recognition
- Ensure an inclusive coordinated and friendly approach that makes it easier to support our mission
- Toolkit for professionals

- Deliver an integrated suite of advisory services to support the uptake of OPL
- Increase the number and effectiveness of integrators
- Create state based *Champions of Change*
- Increase training & education programs offerings, including:
 - OPL Introductory sessions
 - Linking with the Sustainable Development Goals and Climate Emergency

- Advocate for OPL principles in delivering our future
- Increase financial viability
- Increase awareness and opportunity for OPL to be referenced in Government policy
- Approach other countries in our region undertaking the OPL journey
- Contribute to projects and /or regional strategic plans using OPL

- Pursue step change impact pathways
- Explore the potential of aged care and social housing market segments
- Determine the value to the ESG investor for OPL developments
- Advocate One Planet Living to mitigate climate change and investment risk for financial and insurance agencies
- Build collaborative action with regenerative futures movement

OUTCOME

Our community is engaged, active, empowered and invested in the success of BAF and One Planet Living®

Our story inspires people, projects and organisations to demonstrate living within planetary boundaries

Our collaborative approach builds leaders in sustainability who advocate One Planet Living®

Our organisation is known as a change agent in delivering the vision of One Planet Living® through its actions

Our organisation embraces new challenges and opportunities to support a regenerative future
